

Herons' Landing Community Guidance on Mailbox and Mailbox Posts

1. Metal Mailbox Posts

a. If you need help in replacing your damaged metal mailbox post, please contact The Beautiful Mailbox Company for assistance 1-800-856-6983, Miami, FL or at <http://www.beautifulmailbox.com/> as any replacement must be similar to existing post.

b. Residents with metal mailbox posts can use any good quality white spray paint to restore the looks of their posts.

c. Requests for mailbox numbers should be forwarded to our management company, Advanced Property Management: <http://www.apmfla.com/>. The HOA pays for the numbers.

d. If the mailbox needs replacement, it must be white and of similar design.

2. Wood Mailbox Posts

a. The HL Board of Directors provides free paint for wooden mailbox posts. Residents may obtain the paint as outlined below. Call Julie Deal at 321-636-5504 between 8 AM & 4 PM Monday through Friday to arrange to pick up the paint at Faith Lutheran Church office on Faith Drive. Sign log sheet for tracking purposes. Please return the paint promptly for the next resident to use.

b. If the mailbox needs replacement, it must be white and of similar design.

c. If the wood post needs replacement, please contact The Beautiful Mailbox Company for assistance in purchasing a metal mailbox post that is similar to the existing metal ones in our neighborhood. See phone number and email address in 1(a) on page one.
